Period of assessment	20–24 September 2021
Session duration	60 minutes (but extra time allowed if necessary – see below)

### Assessment format

A “common assessment activity” (CAA) is developed and marked by NZQA, and administered by a kura / school / tertiary provider in a single session on a date they are to nominate during the period of assessment specified above. The assessment is designed to be completed in 60 minutes by most learners, but schools may allow as much time as necessary for candidates to complete the assessment in one session.

Candidates will be required to produce two pieces of writing (one of at least 200 words, the other of any length) in response to stimulus material chosen from a range of options provided by NZQA. The two pieces must be of different text types, and one must be in a formal register. Text types may include (but are not limited to): letters, reports, articles, blog posts, profiles, descriptions, explanations, and opinions.

Candidates will also be required to respond to questions relating to written language conventions such as spelling, sentence construction, punctuation, and text organisation. These questions will require multiple-choice or short-answer responses.

Stimulus materials will include scenarios relating to a range of experiences relevant to everyday life, such as employment opportunities, health and safety situations, media coverage, sports events, school or community events, and important individuals.

### Conditions of assessment

Candidates must complete their assessment individually under teacher supervision, in accordance with the NCEA [Assessment and Examination Rules and Procedures](#). Candidates are not permitted to access any resources other than those supplied in the assessment.
